## Cascadero Copper Announces Filing Amended and Restated Q1 (ending Feb 28, 2015) and Q2 (ending May 31, 2015) Financial Statements and Related MD&As

Vancouver, British Columbia, December 16th, 2015

Cascadero Copper Corporation (the "Company").

(TSXV: CCD)

As a result of a review by the British Columbia Securities Commission ("BCSC"), the Company is issuing this press release to clarify our disclosure. The Company has identified material errors and deficiencies in its Q1 (ending February 28, 2015) and Q2 (ending May 31, 2015) financial statements and MD&A and has decided to restate and refile both these documents and subsequent interim financial statements. The related Q1 and Q2 MD&A have been revised to reflect changes in the financial statements and subsequent events. These have been refiled at the time of this news release.

The original Q1 financial statements have been restated to disclose the following:

- 1) Stock based compensation amounting to \$117,670 has been recognized on the income statement for options vesting during the period.
- 2) Rent expense amounting to \$4,500 for the period has been recognized on the income statement.
- 3) Part XII.6 tax amounting to \$3,799 for accrued interest on the outstanding balance has been recognized on the income statement for the period.
- 4) Prepaid expenses have been adjusted to reflect amounts related to future periods.

|  | As originally<br>reported | Adjustment | As Restated  |  |
|--|---------------------------|------------|--------------|--|
| Statement of Financial Position as at Feb 28, 2015 |                           |            |              |  |
| Prepaid expenses                                   | \$-                       | \$ 9,618   | \$ 9,618     |  |
| Accrued liabilities                                | 343,187                   | 3,799      | 346,986      |  |
| Due to related parties                             | 720,195                   | 4,725      | 724,920      |  |

| Cash flow from financing activities       | 131,316      | (71,099)   | 60,217      |

The original Q2 financial statements have been restated to disclose the following:

- 6) Stock based compensation amounting to \$151,834 has been recognized on the income statement for options vesting during the six month period.
- 7) Rent expense amounting to \$9,000 for the six month period has been recognized on the income statement.
- 8) Part XII.6 tax amounting to \$7,597 for accrued interest on the outstanding balance has been recognized on the income statement for the six month period.
- 9) Prepaid expenses have been adjusted to reflect amounts related to future periods.
- 10) The Company's consolidation has been adjusted.
- 11) Certain expenses have been reclassified to conform to the current year financial statement presentation.

The effect of the adjustments is as follows:
